

BID OPPORTUNITY

PROJECT: 508 & 510 WALL STREET

SUBMITTALS DUE BY: FEBRUARY 1, 2018

Habitat for Humanity of St. Charles County (HFHSCC) is pleased to announce that we have bid opportunities available for 2 single family homes in the spring of 2018 located at 508 & 510 Wall Street, Wentzville, MO.

HFHSCC is a not-for-profit ecumenical Christian housing ministry working in partnership with low-income families to improve their living conditions. Our families **earn** an opportunity to **purchase** a lower cost home due to generous donors who contribute money, services, building materials, and volunteer labor hours.

While our volunteers and partner families contribute valuable labor hours to each project, HFHSCC requires the specialized services of vendors to perform professional work. This typically includes plumbing, HVAC, electrical, concrete, sewer, drywall taping, and occasionally roofing for our projects. We also offer bid opportunities for local suppliers.

Bids may be calculated in the same manner as with any other projects.

- You will not be provided with nor required to install used materials.
- You will not be provided with or required to use volunteer labor.

Because HFHSCC relies on the donation of both funds and labor resources, many factors are considered when determining the winning bid. In addition to price and references, a willingness to consider one (or more) of the following may also be included in the award process:

- Early payment discount options for terms less than Net 30.
- Tax deductible donation of any/all materials or labor clearly identified on the bid submittal.
- Willingness to be flexible with scheduling.

As we build our partnerships, HFHSCC will include successful bidders in promotion and recognition when possible via:

- Jobsite & ReStore recognition (signage)
- Media recognition (Facebook, press releases, etc.)

To obtain additional information or clarification on any aspect of the process, please feel free to contact:

- By Email: construction@habitatstcharles.org

HFHSCC encourages small and/or minority owned and operated companies to submit proposals.

SUBMISSION DETAILS

BID SUBMISSION:

All bids must be received in the offices of HFHSCC by 5:00 p.m. on February 1, 2018.

Bids may be delivered by email, fax, mail or in person to:

Email: construction@habitatstcharles.org
Fax: 636-387-0447
Mail: Habitat for Humanity of St. Charles County
2041 Trade Center Drive
St. Peters, MO 63376

REQUIREMENTS:

All bids should be calculated per the plans published at www.habitatstcharles.org.

A completed and signed General Bid Form should be returned, along with your itemized bid in the format typically used by your company.

QUESTIONS:

All questions or clarifications regarding plan details or requirements should be directed to:

Tony Bradbury, Construction Manager for HFHSCC.

tony@habitatstcharles.org 636- 288-2138

TERMS & CONDITIONS

1. HFHSCC reserves the right to reject any or all bids.
2. Bids must be valid for 30 days after submission.
3. BILLING: Invoices will be accepted for payment by email (construction@habitatstcharles.org) fax (636-387-0447) or mail.
4. BILLING TERMS: Invoices must reflect a minimum of 30-day net payment terms.
5. PAYMENTS: Contractors and Suppliers must provide fully executed releases of liens (in a format provided by HFHSCC), partial or full, for the specific work or materials being billed for. Contractors that provide both material and labor will be subject to 10% retention of payment held until such time as material waivers from contractor's supplier(s) are provided to HFHSCC.

GENERAL BID FORM

PROJECT: 508 & 510 Wall Street

Please complete, sign, and return all pages of the General Bid Form along with your company's itemized proposal to:

Email: construction@habitatstcharles.org
 Fax: 636-387-0447
 Mail/In person: 2041 Trade Center Drive
 St. Peters, MO 63376

Each bid should be calculated using the project drawings for 508 & 510 Wall Street as published at www.habitatstcharles.org along with the specific requirements noted below for each category.
