

you're invited to join our

Bread Breakers Club

Help us nourish the bodies of our hardworking volunteers so they have the strength to help fulfill Habitat's mission.

How does it work?

Bread Breakers Club members commit to donating 1 meal per quarter for the next 5 quarters, to our jobsite volunteers. There would be 25+/- volunteers per donation. A member of the Engagement Team will pick the donation up and deliver it to the job site. A typical donation would be a sack or boxed lunch, though buffet style is a possibility.

Not in the restaurant business?

No worries! Individuals or businesses that wish to participate can donate gift cards toward the purchase of volunteer nourishment.

Benefits of being a member:

- Social media and on site recognition
- Professional photographs provided
- Marketing opportunities
- Support local community - be a part of the bigger picture
- All donations are tax-deductible

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope.
