

ALL OF US TOGETHER

HOME SPONSOR PROGRAM AND BUILD DAY OPPORTUNITIES

you have the power to change lives

A Hand Up - Together

When you extend a hand up, you help eliminate barriers to build better, healthier, more financially stable lives.

Families achieve improved physical and mental health.

Stability allows homeowners to make investments for the future.

DID YOU KNOW?

Habitat was founded in 1976 in Americus, Georgia.

We don't give houses away. Habitat Homeowners build their houses and pay an affordable mortgage.

Habitat St. Charles has partnered with over 300 people who now have a safe, decent and affordable place to call home.

The Habitat St. Charles ReStore opened in 2007 and has diverted over 100,000 tons of waste from local landfills.

**A safe home. Nutritious food.
Health care. Reliable transportation.**

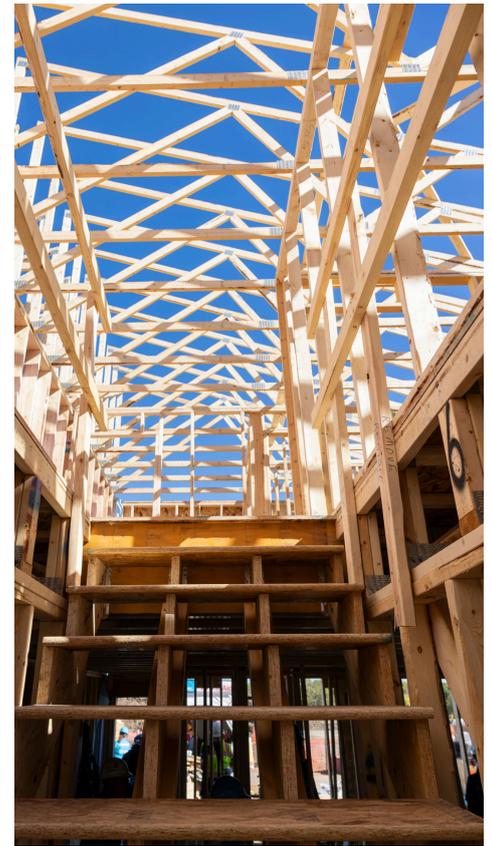

Which would you choose?
